III GENERAL INSTRUCTIONS

1. Overview of the Track

Alastaro Circuit, track length 2850 m, coating: asphalt, location: Virttaa village, Alastaro, Finland.

2. Categories of competitions

National Porsche Sprint Challenge Finland & NEZ (NEAFP), Categories 5 and 7

National PRCF Club Race (NEAFP), additional classes 7 and 8

National TT Race

Club PRCF Time Trial (NEAFP).

3. COVID 19

The recommendation concerning Covid19 containment will be adjusted

and updated during the coming months according to the developments. As there will be a limitation to the amount of people allowed to participate, we will need to limit the participating teams to 1 driver and 2 mechanics. Remember to keep a 2-meter distance, especially in closed spaces as the racing office and toilets. Updates will be issued later.

4. Registration

Anyone wishing to participate in the Porsche Festival Race 2021 competition must register via the KITI Race Service or ask the competition secretary for instructions on how to sign up for the event by e-mail francis.van.nunen@gmail.com. Registration for the PRCF Time Trial supplementary category takes place through the PRCF's web site.

4.1 Processing of personal data at registration

By signing up for this competition, the competitor will approve the processing of his personal data by the organizer of the competition as well as in the publication of the specified (name, club, etc) personal data in the list of participants, in the result list and in the competition related communication.

5. Participation fees

Category 7 and 8	National: PRCF Club Race	310 € incl. VAT. 10%
Category TT	Club: PRCF Time Trial	180 € incl. VAT. 10%
Category TT Race	National	20 € incl. VAT. 10%

Registration & participation fee must be paid on 23.08.2019 and by 23.59. Late registration may be excepted at an entrance fee x 1,5.

All payments must be made to PRCF Events Oy, NORDEA Bank PLC. IBAN account number: FI78 1544 3000 0418 68

The following reference notes shall be used into bank transaction form: The competitor's license number and the year number of the racing car.

The participation fee does not include a possible needed time transponder rent which is 30 € and shall be paid in race office during registration.

Porsche Festival Race 2021 contestants are welcome for free practice on the morning Friday 27th of August training day till 13:00.

The event is not free of charge, the participating fee is 100 € incl. VAT 10% fee is collected at the race office from which in return participants get a car windshield sticker that entitles the track usage on scheduled shift during Friday, 27th of August.

CAUTION! Without valid sticker you cannot go in the track, labels are checked at the gate of the track by Porsche Festival personnel!

6. Paddock

The Paddock Map is going to be published in the KITI web service under the name: "Porsche Club Festival 2021 Aluekartta_map.pdf"

The race cars and maintenance vehicles should be positioned in accordance within the depot by the paddock map, for more information on the pit spot gives Depot Manager Mr. Jari Turpeinen Tel. +358 400 612607

WARNING!!! Own pit spot must have impermeable tarpaulin which covers the entire pit spot area, especially the liquid protective shield must be under race cars and maintenance vehicles, the fire extinguishers (6kg) must be present all the time during Porsche Festival 2020 event. The depot manager, chief of staff and the jury monitors the above issues.

Failure to defend a paddock site is set at a fine of 250, - € and race manager is allowed to close off completely the team / competitor from the Saturday´s races.

7. 3rd party Motor insurance of the race car

Every race car must have a valid 3rd party motor insurance!

Insurance certificates are checked upon competition registration at the office.

8. Responsibilities and reservations

Each competitor takes part in training and competitions at his / her own risk. The Promoter shall not be liable for any damage that may occur to the competitor or his equipment or which he causes to another person or their property.

The competitor is responsible for the fact that he, his assistant and team members are familiar with and comply with the national rules on racing, speed racing rules and competition rules, the rules of his own class and the competition rules mentioned therein, the competition announcement published after the end of the registration and any subsequent releases to be distributed later. The organizer is entitled to transfer, revoke or suspend the competition, if circumstances or safety so require. The organizer reserves the right also possible to connect all or part of classes if there are conditions, safety or for any other reason to take.

9. Advertising

Organizer ads: The organizer wants to reserve 3 small spaces from the competition cars for Porsche Club Festival 2020 for ads. The organizer's advertising space is 3 pieces and measurements 110mm x 200mm. The organizer's ads must be attached to the racing cars at the latest on the inspection.

10. Competition

The course of the competition and the way in which each competitor participates in the competition according to the rules.

10.1 Arrangement of the competition

The competition follows the published timetable on the notice board. Each competitor must make sure that he arrives in time before his or her race session to arrange the exit to the pitlane. Every competitor must have a person who comes to the grid area to show the competitor his place at the starting grid. This person must be available well ahead

of the competitor's starting line-up area at the pit lane gate in order to get possible instructions from the pit lane officer.

10.2 TT Race.

Participation in the TT Race is only allowed for drivers with a valid Competition license and a completed Track training.

The TT Race will be driven as a normal race with a rolling start. The starting order will be determined by the free practice session for Time Trial. The competitors will line up in starting order in the pit lane and leave for a warmup lap behind the Safety Car. The Safety car will come into the pitlane, and the pole sitter will become the Master Car. If the formation is acceptable the start can proceed. The length of the race will be 5 laps.

Driving conduct during the race will be according to the normal rules and will be strictly monitored.

11. Inspection

Method of performing the technical inspection according to the own rules of the class of each participating class. The inspections take place at each of their own pre-announced inspection points, under the guidance of class inspectors. Possible follow-up inspections are done in the Parc Fermé area or in a manner that can be stated separately.

12. Results

The results of the competition can be found at AKK's KITI web service and at www.prcf.fi. The organizer has the right to combine the categories of competition wholly or partially if necessary. If classes are combined, it will be announced by additional race order at the time of publication of the approved list or at the latest on the official notice board of the competition day morning on 28th of August at 09:00 latest.

13. Awards

Awards are going to be trophies or items. The exact amount of prizes will be indicated on the official notice board of the competition, by 29 August 2020 at 09:00 am.

13.1. Award ceremony

This year's award ceremony will directly after every race, next to Parc Ferme.
